

ACH TRANSFER INSTRUCTIONS

Please note: ACH remittance is available directly via the Payment Portal. To pre-authorize a debit transaction, add Company ID A561545517 to your ACH Fraud Filter. This will avoid ACH returns due to a debit or fraud block. It is not necessary to email or mail the ACH confirmation of 'Report Summary' when sending funds via our portal. **If you do not meet the criteria to remit funds via our payment portal, please use the below instructions.**

When initiating ACH Transfers, use the transmittal information listed below. To assist us in identifying and applying funds timely and properly, it is critical that the holder 9-digit FEIN/TIN number only (no alpha characters/letters) is included in the **Individual ID Field/Record** on your ACH credit transaction. The holder's name(s) and contact information must be included in the **Addenda Record** on your ACH credit transaction.

Email the ACH Transfer Confirmation and Report Summary to upreports@nctreasurer.com with the subject: Holder Report Filing.
